- Project & Cloud Platforms: ClickUp, Microsoft 365 (SharePoint, OneDrive, Copilot), Google Workspace, Zoom
- Operational Skills: Data Integrity & Validation, Sourcing & Workflow Tracking, Client Reporting, CRM Management, Remote Team Collaboration, Problem Solving

PROFESSIONAL EXPERIENCE

Springboard | Data Entry & Operations Specialist

Nov 2025 – Feb 2026

- Built, formatted, and maintained large-volume databases and Excel spreadsheets to track operational metrics, deadlines, and project milestones
- Cleaned and validated data records to maintain strict data integrity, ensuring accurate reporting for lead tracking and backend operations
- Identified data inconsistencies, resolved system errors, and consolidated raw data into organized operational and summary reports
- Leveraged digital tools and structured workflows to streamline project tasks and internal follow-ups

The Church of Jesus Christ of Latter-day Saints | Missionary Service & Project Coordinator 2023 – 2025

- Conducted structured outreach and built strong, trusted relationships across diverse, multicultural communities
- Generated detailed progress and operational reports, collaborating directly with leadership to identify and troubleshoot regional challenges
- Maintained organized tracking systems to manage schedules, set daily goals, and ensure completion of outreach objectives

Ritz in Africa | Customer Experience & Workflow Specialist

2020 – 2022

- Managed high-accuracy ordering workflows in a fast-paced environment to maintain quality control and operational efficiency
- Handled real-time client inquiries and resolved service issues on the spot to maintain high guest satisfaction standards

EDUCATION

Bachelor of Science in Software Development - BYU-Idaho, through BYU-Pathway Worldwide — Rexburg, Idaho
